GSTIN : 29AABCA1720D1ZA

ADVANCE DC LINK CAPACITORS (RoHS Compliant)

Specifications

Dielectric	: Metallised Polypropylene Segmented film
Rated DC Voltage	: 1320Vdc
Impregnants	: Thermosetting epoxy resin UL94V0
Case	: Aluminium
Terminals	: Nickle plated M6x10 Brass internal threaded Max. torque 8Nm
Mounting	: M12 stud with nut- Max. torque 12Nm
Test Voltage b/n terminals (10s)	: 1.3 times the rated dc voltage
Test Voltage b/n terminals and case (60s)	: 2.5kVac
Temperature range	: -40 °C to +85°C
Climatic category	: 55/60/56

Dimensional Drawing (in mm)
