

Special Application based Capacitors

1. $30\mu\text{F}$ 250Vac for Welding machines

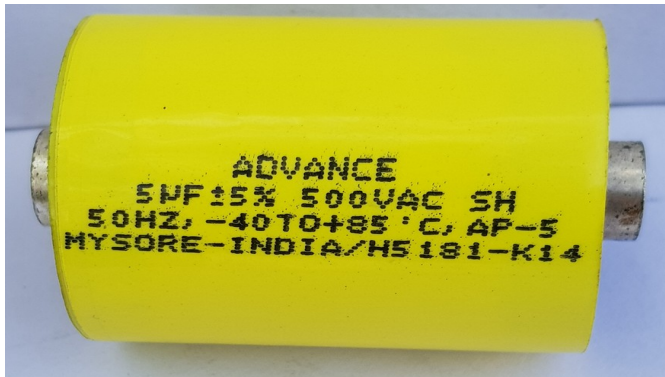

2. $20\mu\text{F}$ 1400Vdc for Welding machines

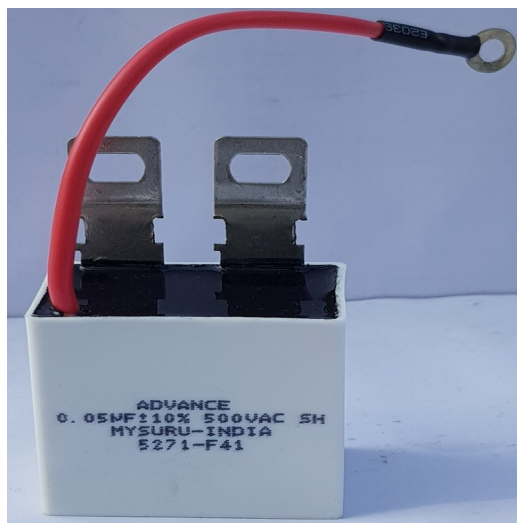

3. $40\mu\text{F}$ 1250Vdc for Welding machines

4. $5\mu\text{F}$ 500Vac for Welding machines

5. $2 \times 0.05\mu\text{F}$ 500Vac for Welding machines

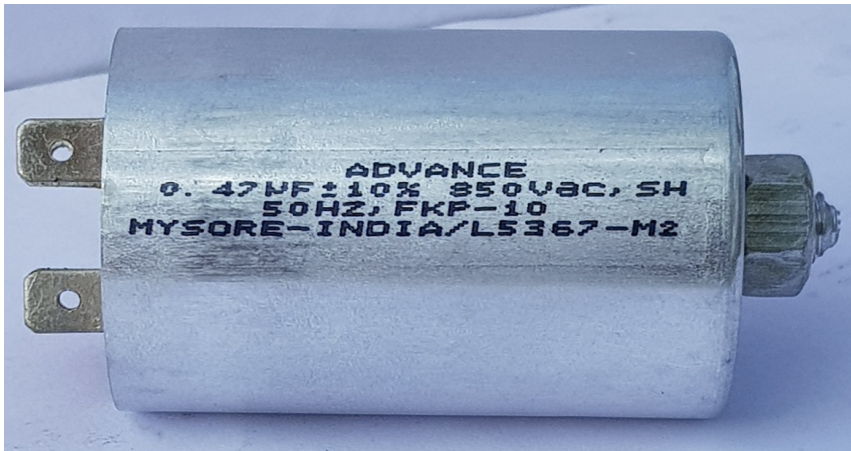

6. $1.78\mu\text{F} \pm 10\%$ 400Vdc + 1000Ω & $4.7\mu\text{F} \pm 10\%$ 400Vdc + 270Ω
RC combination for Surge Suppression

7. $7.5\mu\text{F} \pm 5\%$ 440Vac Delta connected capacitor for Generators

8. $0.47\mu\text{F}$ 850vac for Wind Energy applications

9. $2\mu\text{F}$ 440Vac Tapped capacitor for Generators
